Single lane of eastbound I-70 in Columbia to close Wednesday for emergency pavement repairs

JEFFERSON CITY, Mo. – For the safety of the traveling public, construction crews working with the Missouri Department of Transportation anticipate closing the driving (right) lane of eastbound Interstate I-70 in Columbia on Wednesday. The lane closure just west of St. Charles Road, near mile marker 131, is for emergency pavement repairs and is anticipated to be in place from 4 a.m. to 12 p.m. on Wednesday, Nov. 26.

Drivers traveling in Columbia on eastbound I-70 should consider alternate routes. Motorists are encouraged to give themselves extra time to travel through this area as backups are expected.

Drivers are reminded to slow down and pay attention in work zones. Buckle Up. Phone Down.

For additional information about current and upcoming detours and project status, please visit the Improve I-70 project website at: Improve I-70: Columbia to Kingdom City | Missouri Department of Transportation
